Share of a development Land of Four Adjacent Residential Fields in Tseri, Nicosia

€730,000 ^{+VAT}

Area

 17040 m²

Type

Field

An excellent development land opportunity in a 75% share of four adjacent residential fields in Tseri, Nicosia.

The fields extend to about 17.040 sq.m. in total, accumulating to a total shared area of 12.780 sq.m.

The surfaces of the field are relatively flat and access is via two registered roads facing the south-west and north-east side of the properties, with a road frontage totaling to approximately 105m.

The assets are located approximately 1km south-east to Tseri community center and in a quiet residential area.
