

#49101

Industrial field in Peristerona, Nicosia

€80,000

Area

 2139 m²

Type

Building Plot

The property concerns an industrial field in Peristerona. It is located 1.3km from Nicosia-Troodos Avenue.

It has a land area of 2,139sqm and abuts on an asphalted, registered, public road along its western boundary with a frontage of about 40m.

The immediate area of the property is characterized as agricultural. The field enjoys good access towards the village's center and the prime road network.
