

#49776

Two Bedroom House in Tseri, Nicosia

€115,000

Area

73 m²

Type

Building Plot

The property is a house on a 33% share of residential field, approximately 1,703 sq.m., of a total 5,110 sq.m. in Tseri, Nicosia with 59 meters of frontage on a registered road.

Built in 1989, the house features a living room, dining area, kitchen, two bedrooms, a shower with a toilet, entrance hall and uncovered veranda.

While the home provides a solid foundation, it is ideal for renovation and personalization, offering endless possibilities to design a new home.

There is a Distribution Agreement in place.
