Investment Opportunity: Mixed-Use Building €440,000 in Anthoupoli, Lakatamia, Nicosia

Covered

 80 m²

Type

Shop

The property is a mixed-use building located within the Lakatamia municipality - Anthoupoli quarter, in Nicosia.

The building was constructed in 2001 on a registered plot of 567 m², which abuts on Agiou Georgiou avenue along its southwest boundary with a frontage of approx. 23 meters.

The ground floor comprises three units, all occupied each with a mezzanine level.

The two eastern units have been unified to form a bakery, while the western unit is a coffee shop.
