Energy efficiency rating

 B

Exceptional, two duplexes one bedroom apartment for sale in Port area, Larnaca. Great location, as all amenities, such as Greek and English schools, major supermarkets, entertainment and sporting facilities, are within close proximity. Centrally located, 800m from Finikoudes promenade and 250m from the Larnaca New Marina, in an area going through a major upgrade. A 10-minute drive to the airport. The lovely residential neighborhood is quiet and family orientated surrounded by residential properties.
